**Subject:** draft New Stuyahok transcript  
**Attachments:** New Stuyahok Public Meeting Transcript June 7, 2012.docx

Here is the draft New Stuyahok transcript. Please let me know if you would like to see any changes in formatting, since it needs to be placed in the docket as soon as possible. As I mentioned on the call Tuesday, it is important and appropriate to have the actual words of the speakers in the docket, as opposed to a summary or paraphrased submission. It demonstrates that we listened to and are willing to share the whole substance of the comments. It also puts the meetings in the villages on an equal footing with the officially transcribed meetings in Seattle, Anchorage and Dillingham.

Let me know if I need to beef up the caveat at the end about the preparation of the transcript from audio recordings since I can't certify my work like a real court reporter would.

I will format the Levelock, Naknek, Nondalton and Igiugig meetings consistent with this one once I hear back from you. This was the "big kahuna" in terms of the number and length of comments!

Judy
